**DETAILED ACTION**

***Election/Restrictions***

1. Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in reply to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 1-9 are, drawn to an apparatus containing a specific guide means.

Group II, claim(s) 10-17 are, drawn to an apparatus containing article location means.

2. The inventions listed as Groups I and II do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: Group I lacks the same or corresponding special technical features of the article location means as set forth in group II, and group II lacks the same or corresponding special technical features of the guide means having respective portions at its opposite ends engageable with and releasable from respective opposite sides of the apparatus wherein one of the portions comprising two components relatively movable together and apart to clamp onto or release from part of one side of the apparatus as set forth in group I.

3. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

4. Any inquiry concerning this communication or earlier communications from the
